

Reignite is the second album from New Zealand artist / Producer - Craig McKenzie.

The heart of the album is a call for the army of God and the body of believers to rise up in unity, taking the unashamed truth of the gospel and the love of Jesus to every nation.

Individually and collectively reigniting the flames of passion and first love for King Jesus.

Secure, knowing that our worth is based in Him and the sacrifice He made for us all.

As we give our all to Jesus, He will soften our hearts to the lost and harden our resolve to wage war in the spiritual realm, setting the captives free in the name of Jesus, bringing healing to nations and a harvest of souls for the Kingdom of God, for His glory alone.
